

Within thirty (30) calendar days of the receipt of this NOV, please submit documentation of any measures Bolling has taken or is taking to achieve compliance with the violation(s) and/or areas of concern noted above. If the compliance measures identified are planned or are on-going, please provide a schedule for when the compliance measures will be completed. Section 3008(a) of RCRA authorizes EPA to take an enforcement action whenever it is determined that any person has violated, or is in violation, of any requirement of RCRA as amended. Such an action could include a penalty of up to \$27,500 per day of violation. In addition, failure to achieve and maintain compliance with the regulations cited in this Notice of Violation may be treated as a repeated offense and may constitute a "knowing" violation of Federal law.

This Notice of Violation is not intended to address all past violations, nor does it preclude EPA from including any ongoing, including the ones cited in this letter, or past violations in any future enforcement action. The response to this NOV shall be addressed to:
